

FIRSTDOWN

Purchasing a home can be expensive.
Let the **FIRSTDOWN** program help.

Many first time homebuyers find it difficult to pay for the down payment and closing costs associated with buying a home. Three organizations -- First National Bank, the Federal Home Loan Bank and the Nebraska Housing Developers Association--have partnered to form the FirstDown program which provides \$4,000 grants to qualifying home buyers to assist with their down payment and/or closing costs. *

How to Qualify for the **FIRSTDOWN** Program

In order to qualify for a FirstDown grant, a buyer must meet the following eligibility criteria:

- Must be a first time homebuyer
- The home must be located in Nebraska
- Household incomes must be at or below 80% of the area median income
- Additional requirements may need to be satisfied as determined by the Nebraska Housing Developers Association

"We never thought we could afford to own a home because we didn't have money saved for a down payment or closing costs. Then a friend told me about the FirstDown program, and we are now first time home owners. Thank you for helping us provide a home for our children to grow up in."

— Bree, Lincoln, NE
