

*“Provide awareness to its members about the housing needs for people with disabilities not only for affordable housing but also for accessible housing. The Association is a unified voice to address those issues and enhance equitable access to housing for persons with disabilities throughout the State.”*

- Mark Schultz, Nebraska Department of Education

*“The Association has really fine-tuned the ability to collaborate and to know what different partners can bring to the table and to make the best use of their time and everyone else’s time doing those collaborations.”*

- Lara Huskey, Midwest Housing Development Fund

## Make a Statewide Impact

- Through the work of the Association and its members, millions of public and private dollars are invested in communities to develop housing for a variety of housing options.
- Recent advocacy efforts the Association provided leadership to return \$2.5M to the Nebraska Affordable Housing Trust Fund.
- The Association coordinates Nebraska’s homebuyer and tenant education delivery systems working with local organizations that deliver quality education resulting in better-educated consumers.
- Association members produce more than 500 affordable housing units throughout Nebraska each year.
